FINNISH AMERICAN SOCIETY OF DELAWARE VALLEY

MISSION STATEMENT

Our mission is to promote Finnish culture, customs, and traditions as well as the knowledge of Finland, its history and language. Our society will bring together the Finns of the Delaware Valley, Americans of Finnish ancestry and friends of Finland. To spread the "Suomi" spirit, we will organize functions and events for our membership. We will also act as a representative of the local Finnish community by hosting visitors from abroad and other parts of the U.S.A. as well as function as a link between the local community and visiting students, entertainers, artists and others.

Programs and Events of interest for everyone...

Membership in the American-Finnish Society of the Delaware Valley includes the society newsletter "The Finnish Accent", a membership directory and an open invitation to attend all society functions as well as participate in all special programs. Additionally, all FASDV dues-paying members will receive a copy of Finlandia Foundation Newsletter.

This yer is especially exiting, we are celebrating the 375th anniversary of first Finns landing to Delaeare Valley. Event are planned all year long. . The directors hope that everyone who actively participated in the past will continue to do so in the future, and of course, new members are always welcome.

The funding for our society comes from the annual memberships dues. Therefore, we ask those who have not renewed over the last few years to do so in the year 2013. Join with us in communicating our very special Finnish culture to the community at-large.
