Finnish American Society of the Delaware Valley FASDV Mission Statement

Our mission is to promote Finnish culture, customs and traditions as well as knowledge of Finland, its history and language. Our Society will bring together 1st generation Finns living in the Delaware Valley, Americans of Finnish ancestry and friends of Finland. To spread the "Suomi" spirit, we will organize functions and events for our membership. We will also represent the Finnish community by hosting visitors from abroad and around the US as well as act as a link between the local community and visiting students, entertainers, artists and others.

As a FASDV member, you will receive the Society's newsletter "Finnish Accent" and an open invitation to attend all of the FASDV functions as well as participate in special programs. Additionally, all FASDV members receive the Finlandia Foundation Newsletter and information about their programs and offerings.

Funding for FASDV comes from annual membership dues. Therefore we ask you to join or renew your yearly membership, as we share our culture with the community at-large and educate the Tri-State area about all things Finland. Thank you!

FASDV is also a Chapter of the Finlandia Foundation National. As a paying FASDV member, you are also a member of the Finlandia Foundation.

FASDV website is fasdv.org. To contact FASDV, please go on fasdv.org/contact, or you may email FASDV President Marja Kaisla at mjkaisla@yahoo.com.
